Please note the following conditions for the event:

- 1. All scales are welcome**, from fine scale to tinplate, as is railroad ‘memorabilia’. This is NOT a general flea market—those found selling items not directly associated with the model and toy train hobby *will be asked to leave*.
- 2. Admission** is for entrance into the swap meet. **Seller’s admission** is based on the size of their designated table space(s).
- 3. No reserved tables-** “*first come, first served*”- the meet sponsors do not guarantee table space.
- Sellers are allowed to set-up early, before the official starting time, to arrange display of their items. *However, Sellers are asked to remain at their designated table until doors are officially opened* to the public for the meet.
- 5. The collection & reporting of sales tax is the responsibility of the individual seller;** the Swap Meet organizers assume *no responsibility* for collection, reporting, or payment of sales taxes.
- 6. The Swap Meet organizers are not responsible** for loss of property by fire, theft, vandalism, or any other cause.
